

## **6/02/2017 Hostel Visit**

### **Nivedita Hall**

- Only seven cleaning persons are working. Required more workforces considering the size of the hall.
- Wrongly constructed cupboard mirror. That's need to be corrected.
- Connecting passage between two buildings needs railing.
- Gloves are not worn by the kitchen staff.
- Slope in the utensil cleaning area and the kitchen is on the wrong side, causing water logging problem.
- Power point for Geyser required in the utensils cleaning area.
- More utensils are required, both serving and cooking ones.
- Utensils are cleaned in stagnant water.
- Bain merry and fly catcher are needed.
- Dosa Tawa was dirty, needs to be cleaned.
- In manager's room required- Internet connection, Telephone connection and computer.
- The lifts of the halls needs to be put up soon. Workers doing the job are hardly visiting hence the work getting delayed endlessly.
