

Sardar Ballabh Bhai Patel Hall – 29/03/17

The kitchen and Dining hall will be renovated from the Alumni fund

Kitchen and Dining

- Flies are there. So it has to be taken care of.
- The salad containers are not covered.
- Dosa Tawa and its edges are dirty, needs to be cleaned properly
- Bread toaster is very dirty and needs to be cleaned everyday
- The drain parallel to the kitchen needs to be renovated as it is causing water logging. This is the main reason to attract flies
- The ground beside the kitchen needs to be cleaned, it is being used as the dumping yard
- **Bain Marie** is needed
- Maybe around **4-5 fly catchers** are needed for both the kitchen and the dining area
- **Utensil racks** are needed
- **Chimney** is needed

Hall Blocks

- The hall needs complete white washing
- The ground floor bathrooms in every block needs a thorough renovation as the plasters are coming out of the roofs and the walls (**D and C Block**)
- The lights in the bathrooms needs to be changed
- There is water logging in the drainage parallel to the hostel walls, needs to be renovated
- Door coloring and maintenance required for the ground floor rooms
- C block window glass panes are broken, needs to be changed
- In the whole hostel in some areas small plants are coming up near the drain pipes. Needs to be removed otherwise they will damage the walls

Mrs. Barnali Chakrabarti
