

RADHAKRISHNAN HALL (20/3/17)

1. Bain Marie is not working. Initially we were informed that it's used only during dinner. But on our request when it was put on, we found it was out of order.
2. No fly catcher is there in the kitchen or dining hall. Its urgently needed as there's lots of flies.
3. The Dough making machine and surrounding area is very dirty.
4. Utensils (dinner plates) are needed.
5. Cobwebs are there in the kitchen area.
6. Dustbins are horribly dirty.
7. There is a night canteen without having permission from HMC.
8. Cleaning staffs are not working properly; the hall is full of flies even in the corridors. The grounds near E Block and behind that are very unclean.
9. Door closer is required in the mess. Else cats are roaming freely inside the mess.
10. The drain inside the utensil cleaning area is dirty and has water logging problem.
11. Building has got cracked at many places especially Block-E, civil maintenance is required.
12. Whole hall white wash is needed.
13. Septic tanks are overflowing.
14. Toilet pipes connections have leakage. Sanitary department is not attending after several complain. (Photographs attached)
15. Complete civil work is required.
