

OFFICE OF THE DIRECTOR
IIT KHARAGPUR

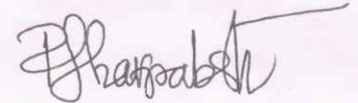

No. D/G-5/
April 18, 2018

Smart India Hardware Hackathon 2018 (SIHH 2018) is being organized nationwide with the cooperation of MHRD, Govt. of India. Director, IIT Kharagpur, is the Chairman of the Executive Committee which is the apex body of this event. Funding for this event will be received from various sources including MHRD. Proposal for the same is being submitted.

Director, IIT Kharagpur, is appointing Prof. S. K. Varshney of the Department of Electronics and Electrical Communication Engineering to be the Institute Coordinator for this activity. Since the funding will also be coordinated by IIT Kharagpur, a special account head for SIHH 2018 may be created in the Institute. An initial seed loan of Rs. 10.0 lakhs may be provided. Necessary action for the above may please be taken.

Prof. S. K. Varshney will carry out all the activities.
