**Subject: Unauthorized and Illegal sale of IITKGP branded merchandise in campus**

*ASaha*  
28/3/19

Dear Sir,

This is to bring to your kind notice that several students inside IIT Kharagpur campus are selling branded merchandise bearing the trademark logo of INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR and/or the word "IIT-KGP" or "IIT Kharagpur". Such use of our logo and name is illegal. This infringement amounts to unfair trading actionable under common law.

At present, the only authorised outlet for selling branded merchandise of IIT Kharagpur is the IITKGP brand-store located in the AA&IR office in Main Building.

We would humbly request your kind intervention to ensure that such student business desist from selling merchandise with IIT Kharagpur's registered trademark logo and/or name.

Thanking you for your understanding and cooperation,

Yours sincerely,

Anandaroop Bhattacharya,

Associate Dean, International Relations
